ORDER OF AFFIRMANCE

This is an appeal from a district court order revoking appellant Shaine Allan Carrara's probation. Second Judicial District Court, Washoe County; Steven P. Elliott, Judge.

Carrara contends that the district court abused its discretion by revoking his probation because his violations were insignificant and not independently sufficient to warrant revocation, and he had substantially complied with the terms and conditions of his probation. We review the district court's decision to revoke probation for abuse of discretion. Lewis v. State, 90 Nev. 436, 438, 529 P.2d 796, 797 (1974). Our review of the record on appeal reveals that the district court heard testimony from which it could reasonably infer that Carrara's conduct was not as good as required by the conditions of his probation. See id. Accordingly, we conclude that Carrara has not demonstrated that the district court abused its discretion, and we

ORDER the judgment of the district court AFFIRMED.
