ORDER OF AFFIRMANCE

This is a proper person appeal from an order of the district court denying a post-conviction petition for a writ of habeas corpus.¹ Sixth Judicial District Court, Pershing County; Michael Montero, Judge.

In his February 1, 2011 petition, appellant challenged the computation of time served. Based upon our review of the record on appeal, we conclude that the district court did not err in denying the petition. We note that the State represented that the amended judgment of conviction was transmitted to the Department of Corrections and properly credited. Accordingly, we

ORDER the judgment of the district court AFFIRMED.
