ORDER DISMISSING APPEAL

This is an appeal from a pre-trial district court “decision” entered on February 2, 2012. Eighth Judicial District Court, Clark County; Stefany Miley, Judge. Because it appeared that the district court had not entered any decision in district court case number C279163 on February 2, 2012, and it appeared that any order denying a motion to exonerate bond would not be substantively appealable, see Castillo v. State, 106 Nev. 349, 792 P.2d 1133 (1990) (where no statute or court rule provides for an appeal, no right to appeal exists), we ordered appellant’s counsel to show cause why this appeal should not be dismissed for lack of jurisdiction. Appellant’s counsel has not responded. We conclude we lack jurisdiction, and we

ORDER this appeal DISMISSED.
