ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks a writ of mandamus directing the district court to enter orders regarding petitioner's motion for the court to order the withdrawn attorney to immediately deliver all papers, documents, and material to client, post-conviction petition for a writ of habeas corpus, motion to supplement his post-conviction petition, and motion for discovery. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. See NRS 34.160. We are confident the district court will resolve all pending matters as expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.
