ORDER DISMISSING APPEAL

This is a proper person appeal from a purported decision of the district court denying a post-conviction petition for a writ of habeas corpus. Eighth Judicial District Court, Clark County; Michelle Leavitt, Judge.

The notice of appeal is premature in the instant case. The documents before this court indicate that appellant filed a post-conviction petition for a writ of habeas corpus in the district court in March 2009, that the State filed a response to that petition in May 2009, and that the district court cancelled a hearing on the petition on May 12, 2009. No decision, oral or written, has been made on the petition since its filing date. Because appellant failed to designate an appealable order, we lack jurisdiction, and we

ORDER this appeal DISMISSED.
