ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus, filed on March 15, 2012. Petitioner seeks an order compelling the district court to transmit his record on appeal in Reberger v. State, Docket No. 60210. We take judicial notice that on March 16, 2012, in the ordinary course, this court issued an order in Docket No. 60210 directing the district court to transmit the complete record. The instant petition is thus rendered moot, and accordingly, we

ORDER the petition DENIED.
