DEPUTY CLERK

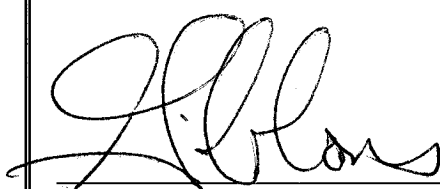

ORDER DENYING PETITION

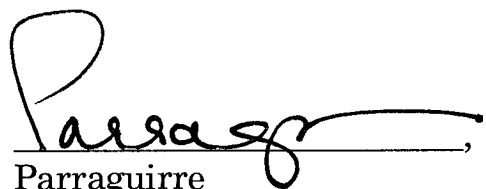

This original petition for a writ of mandamus challenges a district court order denying a motion to dismiss counsel based on a conflict of interest. We have considered the petition, and we are not satisfied that this court's intervention by way of extraordinary writ is warranted. In particular, petitioner has failed to provide this court with the facts and documents necessary for our review. Most importantly, absent from the appendix is the motion to dismiss, the State's response (if any), and a transcript of the hearing on the motion. See NRAP 21(a)(3)(C), (4). And as a separate and independent basis to deny the petition, it appears that petitioner's client may raise any conflict-of-interest claim on appeal should

he be convicted. See NRS 34.170. Accordingly, we deny the petition. See NRAP 21(b).

It is so ORDERED.
