ORDER DENYING PETITION

This original petition for a writ of habeas corpus requests this court to dismiss an indictment on the ground that probable cause was based on information obtained in violation of Miranda v. Arizona, 384 U.S. 436 (1966). Based on our review of the petition and the inadequate documentary support accompanying it, we are not satisfied that this court's intervention by way of extraordinary writ is warranted. Accordingly, we deny the petition. See NRAP 21(b).

It is so ORDERED.
