ORDER DISMISSING APPEAL

This is an appeal from a district court order affirming a justice court order. Eighth Judicial District Court, Clark County; Rob Bare, Judge.

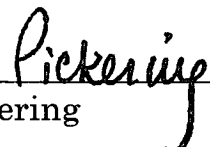

When our preliminary review of the docketing statement and the NRAP 3(g) documents revealed a potential jurisdictional defect, we gave appellants 30 days from August 9, 2012, to show cause why this appeal should not be dismissed for lack of jurisdiction. Specifically, our show cause order noted that the district court has final appellate jurisdiction over cases arising in justice courts. Nev. Const. art. 6, § 6; Tripp v. City of Sparks, 92 Nev. 362, 550 P.2d 419 (1976); Waugh v. Casazza, 85 Nev. 520, 521, 458 P.2d 359, 360 (1969).

When appellants failed to respond within the 30-day deadline, this court entered an order giving appellants an extra 11 days to respond and warning them that failure to do so would result in this appeal's dismissal. Appellants' response was due by November 16, 2012, but to

date, appellants have failed to respond to our show cause order or otherwise demonstrate that this court has jurisdiction over this appeal. Accordingly, we

ORDER this appeal DISMISSED.
