ORDER DISMISSING APPEAL

This is a proper person appeal from a purported decision denying a motion to modify sentence and a decision denying a motion to appoint counsel. Eighth Judicial District Court, Clark County; Stefany Miley, Judge.

To the extent that appellant appeals from the purported decision denying a motion to modify sentence, no final order was reached by the district court on this motion. Rather, the district court took the motion off calendar because the motion was unreadable and advised appellant to submit a new, readable motion for the court's consideration. This is not a final appealable decision. NRS 177.015(3). Thus, this court lacks jurisdiction over this portion of the appeal.

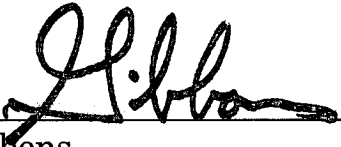

To the extent that appellant appeals from the denial of his motion to appoint counsel, this court lacks jurisdiction because no statute or court rule permits an appeal from an order denying a motion to appoint

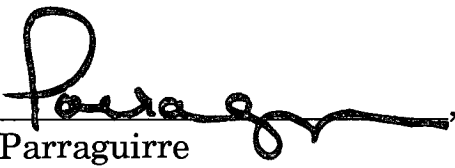

counsel. Castillo v. State, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990).

Accordingly, we

ORDER this appeal DISMISSED.
