CHIEF DEPUTY CLERK

ORDER DISMISSING APPEAL

This is an appeal from a district court order granting summary judgment and dismissing the complaint. Our preliminary review of the documents submitted to this court revealed two potential jurisdictional defects. Specifically, it appeared that (1) the order appealed from was not the final judgment for appeal purposes because of a prior order granting summary judgment, and/or (2) certain claims against defendant Stacy Rose may remain pending in the district court. Accordingly, on August 7, 2000, this court issued an order to show cause why this appeal should not be dismissed for lack of jurisdiction.

On September 7, 2000, appellant filed a response to the order purporting to voluntarily dismiss this appeal. Cause appearing, we construe the response as a motion to voluntarily dismiss this appeal and grant the motion. Accordingly, we hereby

ORDER this appeal dismissed.
