ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order compelling his attorney to withdraw and an order to the district court to file a motion to compel and a motion for production of documents. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. NRS 34.160; NRS 34.170. Notably, petitioner provides no evidence that he has submitted his motions to the district court or that the clerk has refused to file them. Accordingly, we

ORDER the petition DENIED.
