ORDER DISMISSING PETITION FOR
WRIT OF MANDAMUS OR PROHIBITION

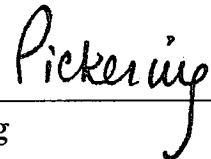

This is an original petition for a writ of mandamus, or in the alternative, prohibition challenging a district court order adjudicating petitioner in contempt of court.

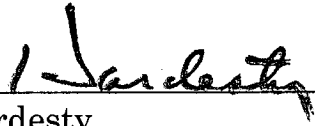

On September 4, 2012, this court entered an order granting the district court's motion to lift the stay so that the district court could vacate its previous contempt order and conduct a hearing on the underlying motion for contempt. On September 13, 2012, counsel for the parties filed a stipulation and order, signed by the district court, indicating that the parties have reached an agreement in the underlying matter, and thus, the need for a hearing in the district court is no longer necessary. In light of the stipulation and order, we conclude that this

petition is moot, and we dismiss the petition. See Personhood Nevada v. Bristol, 126 Nev. ___, ___, 245 P.3d 572, 574 (2010).

It is so ORDERED.
