ORDER VACATING CONDITIONAL SANCTION
AND DISMISSING APPEAL

This court previously entered an order conditionally sanctioning counsel for appellant \$500 for failing to file the docketing statement when due. In that order, we noted that the sanction would be automatically vacated if counsel filed the docketing statement, or motion for an extension of time to do so, within ten days of that order.

In response, counsel has submitted a stipulation to dismiss the appeal pursuant to the parties' settlement agreement.¹ In light of the parties' agreement and stipulation to dismiss, we vacate the conditional sanction, and we dismiss this appeal. The parties shall bear their own costs and attorney fees. NRAP 42(b).

It is so ORDERED.
