ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing Judge Vega to reverse an order denying a right to speedy trial and dismissal of charges with prejudice. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise original jurisdiction in this matter. See NRS 34.170. To the extent that petitioner challenges the pretrial rulings of the district court, he has an adequate legal remedy as interlocutory decisions of the district court may be raised on direct appeal if he is convicted. NRS 177.045. Accordingly, we

ORDER the petition DENIED.
