ORDER OF AFFIRMANCE

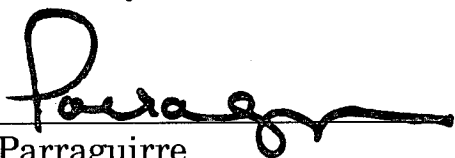

This is an appeal from a judgment of conviction, pursuant to a plea of nolo contendere, of failure of a sex offender to register. Seventh Judicial District Court, Eureka County; Dan L. Papez, Judge.

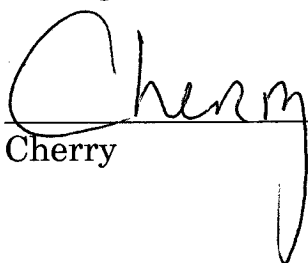

Appellant contends that the district court abused its discretion at sentencing by relying on a presentence investigation report (PSI) that contained multiple errors. Appellant, however, fails to identify on appeal which portions of the PSI contained errors or establish that those portions were, in fact, erroneous. And, the district court accepted appellant's corrections to the PSI before issuing his sentence. Appellant's sentence of 19-48 months falls within the parameters provided by the relevant statutes, *see* NRS 179D.550(1); NRS 193.130(2)(d), and we conclude that he fails to demonstrate that the district court abused its discretion by relying solely upon impalpable or highly suspect evidence, *see Silks v. State*, 92 Nev. 91, 94, 545 P.2d 1159, 1161 (1976); *Parrish v. State*, 116

Nev. 982, 989, 12 P.3d 953, 957 (2000) (this court will not disturb a sentence absent an abuse of discretion). Accordingly, we

ORDER the judgment of conviction AFFIRMED.
