ORDER DISMISSING APPEAL

This is a proper person appeal from an order of the district court denying appellant's ex-parte application for production of partial transcript of trial testimony. Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists. *Castillo v. State*, 106 Nev. 349, 792 P.2d 1133 (1990). No statute or court rule provides for an appeal from an order denying an application for production of a transcript. Accordingly, we

ORDER this appeal dismissed.
