ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus/prohibition. Petitioner asserts that the district court has orally denied a matter he had brought before the district court but has not yet filed a written order. Petitioner seeks an order from this court directing the district court to enter a written order with sufficient information to establish why the district court denied him relief. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims raised therein, we decline to exercise

original jurisdiction in this matter. See NRS 34.170; NRS 34.330.

Accordingly, we

ORDER the petition DENIED.
