ORDER DISMISSING APPEAL

Appellants previously filed a stipulation to dismiss this appeal, but the stipulation did not specifically include respondents Jason Barrera and Anthony Bertoli. On December 6, 2013, this court entered an order dismissing all respondents named in the stipulation and directed appellants to clarify whether they intended to dismiss their appeal as to Barrera and Bertoli. Appellants have filed a clarification, stating that they are also dismissing their appeal as to these respondents. We approve the clarification and hereby dismiss this appeal as to the remaining respondents.

It is so ORDERED.
