ORDER DENYING PETITION

This proper person emergency petition for a writ of mandamus, or in the alternative, writ of certiorari, challenges the district court's alleged failure to review and resolve a petition seeking rehearing of petitioner's habeas petition and a motion requesting copies of orders and transcripts.

We have reviewed the documents on file with this court, and we conclude that our intervention by extraordinary writ is not warranted. NRS 34.020; NRS 34.160. We trust the district court will resolve any remaining matters pending before it as its calendar permits and will enter the appropriate written orders. See NRAP 4(b)(2). Accordingly, we deny this petition.

It is so ORDERED.¹
