ORDER DISMISSING APPEAL

This is a proper person appeal from an interlocutory order denying part of a post-conviction petition for a writ of habeas corpus. First Judicial District Court, Carson City; James Todd Russell, Judge.

No final decision, oral or written, had been made on the petition when appellant filed his appeal on May 20, 2013. Rather, it appears that the district court resolved one claim and ordered additional briefing on the other claim. The documents before this court indicate that the district court has ordered the respondent to file an answer to the remaining claim. Because the district court has not entered a final order resolving the petition, we lack jurisdiction over this appeal, and we

ORDER this appeal DISMISSED.
