ORDER DISMISSING APPEAL

On December 10, 2013, appellants and the State of Nevada respondents filed in this court a stipulation agreeing to dismiss this appeal with the parties to bear their own costs and attorney fees. But because respondent Kenneth J. Gritter did not sign the stipulation, we construe the stipulation as appellants' motion to voluntarily dismiss this appeal. We grant the motion and dismiss this appeal as to all parties, with the parties to bear their own costs and fees. NRAP 42(b).

It is so ORDERED.
