*ORDER DISMISSING APPEAL*

This is a proper person appeal from an order granting a motion to correct the judgment of conviction. Second Judicial District Court, Washoe County; Elliott A. Sattler, II, Judge.

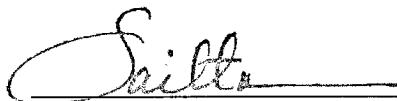

On May 14, 2013, appellant filed a motion to correct the judgment in the district court. In his motion, appellant sought the deletion of the genetic-testing fee, as he had paid it previously in another case, and deletion of the fee for reimbursing the costs of representation, as he was indigent and it was a hardship to pay. The district court granted the motion, and on June 18, 2013, an amended judgment of conviction was entered removing these fees. Appellant filed a notice of appeal from the order granting the motion to correct.

This appeal must be dismissed. Appellant is not an aggrieved party, and consequently, there is no appealable order from which he may appeal. Accordingly, we

ORDER this appeal DISMISSED.
