*ORDER GRANTING MOTION
FOR REMAND AND DISMISSING APPEAL*

This is an appeal from a district court order denying a preliminary injunction. On October 24, 2013, appellant filed a motion asking that this matter be remanded to the district court so as to allow the district court to reconsider its order denying the preliminary injunction. Appellant has provided an order from the district court certifying the district court's intent to enter an order granting a preliminary injunction. *See Foster v. Dingwall*, 126 Nev. ___, ___, 228 P.3d 453, 455 (2010). Having considered the unopposed motion for remand, we grant the motion.

As the parties recognize that no additional issues remain pending for resolution in this appeal, we hereby dismiss this appeal. This order constitutes the final disposition in this appeal. Any appeal from the district court's decision below shall be docketed as a new matter. In light of this order, the parties' October 31, 2013, motion to suspend the briefing schedule is denied as moot.

It is so ORDERED.
