ORDER DISMISSING APPEAL

On September 20, 2013, this court issued a notice informing appellant's counsel, C. Conrad Claus, that the docketing statement was overdue and counsel was allowed an additional ten days to file the overdue docketing statement. Additionally, on October 15, 2013, this court issued an order directing Mr. Claus to file the transcript request form or a certificate that no transcript is to be requested by October 30, 2013. Both the September notice and the October order warned that failure to comply with this court's directives could result in sanctions, including the dismissal of this appeal. To date, Mr. Claus has failed to comply with the filing deadlines for the docketing statement and transcript request form or otherwise respond to the directives in our notice and order. Accordingly, we dismiss this appeal.

It is so ORDERED
