ORDER DENYING PETITION

FOR WRIT OF MANDAMUS

This is a proper person petition for a writ of mandamus seeking an order directing the district court to consider petitioner's habeas petition which he claims he filed in 1996.

We have reviewed the documents on file with this court, and we conclude that our intervention by extraordinary writ is not warranted. NRS 34.160. We trust the district court will resolve matters pending before it as its calendar permits. Accordingly, we deny this petition.

It is so ORDERED.
