ORDER DISMISSING APPEAL

This is a proper person appeal from a purported order denying a post-conviction petition for a writ of habeas corpus. Second Judicial District Court, Washoe County; Scott N. Freeman, Judge.

On December 9, 2013, appellant filed a proper person notice of appeal designating the denial of a post-conviction petition for a writ of habeas corpus. However, the documents before this court indicate that no petition was filed in the district court, and consequently, there is not an order denying a petition.¹ Because appellant failed to designate an appealable order, we

ORDER this appeal DISMISSED.
