ORDER DENYING PETITION

This is a proper person petition for a writ of habeas corpus. Petitioner seeks an order directing the district court to set a reasonable bail. Specifically, petitioner claims that he is being held without bail in violation of Nev. Const. art. 1, § 7 and NRS 178.487.

We have reviewed the documents in this matter, and we conclude that we are unable to determine whether petitioner is being unlawfully held without bail because the complete record from the justice court was not provided. The burden is on the petitioner to provide pertinent parts of the record. NRAP 21(a)(4); NRAP 21(c). Therefore, we

ORDER the petition DENIED.¹
