*ORDER DISMISSING APPEALS*

The parties' November 26, 2014, stipulation to dismiss these consolidated appeals is approved and these appeals are hereby dismissed. Because we dismiss these appeals, thereby returning jurisdiction to the district court, remanding these matters to the district court for the purpose of finalizing and fulfilling the terms of the parties' settlement is unnecessary. In accordance with the parties' stipulation, this dismissal is without prejudice to the parties' rights to reinstate their appeals if the settlement is not finalized and fulfilled. The parties shall bear their own fees and costs. NRAP 42(b).

It is so ORDERED.<sup>1</sup>
