On June 10, 2014, this court directed appellant to serve on respondent his notice of appeal and civil pro se appeal statement and to file in this court, within 15 days of the June 10 order, properly completed certificates of service for those documents. On August 27, 2014, appellant filed a letter in this court indicating that he was attempting to procure an attorney to represent him in this case. To date, appellant has failed to comply with our June 10 order or otherwise communicate with this court regarding service or his efforts to retain counsel, and thus, we conclude that appellant has abandoned this appeal. We therefore
