ORDER DENYING PETITION

This is a proper person petition for a writ of prohibition. Petitioner seeks an order directing Judge Walsh to dismiss criminal charges because his speedy trial rights have been violated. Without deciding upon the merits of the claims raised in the documents submitted in this matter, we decline to exercise original jurisdiction. See NRS 34.320; NRS 34.330. Petitioner needs to seek relief in the district court in the first instance. Accordingly, we

ORDER the petition DENIED.
