ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus asking this court to dismiss criminal charges. Petitioner contends that his speedy trial rights were violated, the State withheld evidence, and the district court should have allowed him to represent himself without questioning his competency or appointing standby counsel. Without deciding upon the merits of any claims raised in the documents submitted in this matter, we decline to exercise our original jurisdiction. See NRS 34.160; NRS 34.170. Petitioner has an adequate remedy at law, as he may challenge his conviction on direct appeal from a judgment of conviction. Accordingly, we ORDER the petition DENIED.
