*ORDER DENYING PETITION*

This is a proper person petition for a writ of habeas corpus. Petitioner challenges the revocation of his parole and claims that his due process rights were violated at the revocation hearing. Without deciding upon the merits of any claims raised in the documents submitted in this matter, we decline to exercise our original jurisdiction. A challenge to the revocation of parole should be raised in a petition for a writ of habeas corpus filed in the district court in the first instance. *See* NRS 34.360; NRAP 22. Accordingly, we

ORDER the petition DENIED.
