ORDER DISMISSING APPEAL

This is an appeal from a short trial judge order awarding attorney fees, costs, and interest in a negligence action. Eighth Judicial District Court, Clark County; Blair C. Parker, Judge.

On July 25, 2014, this court ordered appellant to show cause why this appeal should not be dismissed for lack of jurisdiction, pointing out that the district court had not signed the short trial judge's proposed order. See NSTR 3(d)(4) (providing that pro tempore short trial judges' proposed orders are not effective until signed by the district court). We cautioned appellant that failure to demonstrate that this court has jurisdiction might result in this court's dismissal of this appeal. Appellant's response was due by August 25, 2014. To date, however, appellant has not responded or otherwise demonstrated jurisdiction. Accordingly, we

ORDER this appeal DISMISSED.
