ORDER DISMISSING APPEAL

This is an appeal from a district court order denying appellant Gregory Jefferson's post-conviction petition for a writ of habeas corpus. Eighth Judicial District Court, Clark County; Stefany Miley, Judge.

Jefferson contends that the district court order does not resolve all claims raised in his post-conviction petition for a writ of habeas corpus. It appears from our review of the documents submitted on appeal that the district court's Findings of Fact, Conclusions of Law, and Order, fails to address the contention raised below that counsel was ineffective for failing to propose an instruction regarding reasonable mistake of age. Because the district court order does not resolve all claims raised below, it is not a final order and we lack jurisdiction. *See Sandstrom v. Second Judicial Dist. Court*, 121 Nev. 657, 659, 119 P.3d 1250, 1252 (2005) (explaining that a final order disposes of all issues and leaves nothing for

future consideration). Therefore, we
