*ORDER OF AFFIRMANCE*

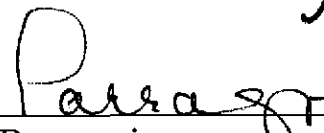

This is an appeal from a judgment of conviction, pursuant to a guilty plea, of battery causing substantial bodily harm. Second Judicial District Court, Washoe County; Patrick Flanagan, Judge.

Appellant Eric Anthony Hoffman contends that the victim's impact statement reported inaccurate information and negatively impacted him before the district court at sentencing. Hoffman does not identify any specific inaccuracies in the victim's impact statement. Furthermore, Hoffman provides only a portion of the transcript from the sentencing hearing, and that portion does not include the victim's impact statement. Because Hoffman fails to provide this court with an adequate record to review his claim, *see Thomas v. State*, 120 Nev. 37, 43 & n.4, 83 P.3d 818, 822 & n.4 (2004) (appellant is ultimately responsible for providing this court with portions of the record necessary to resolve his claims on appeal); *Greene v. State*, 96 Nev. 555, 558, 612 P.2d 686, 688

(1980) ("The burden to make a proper appellate record rests on appellant."), we are unable to resolve it on the merits, and we

ORDER the judgment of conviction AFFIRMED.<sup>1</sup>
