ORDER DISMISSING APPEALS

These are proper person appeals from the partial denial of a post-conviction petition for a writ of habeas corpus filed in two district court cases. Second Judicial District Court, Washoe County; Brent T. Adams, Judge.

The orders entered by the district court on May 20, 2014, were not final decisions as the district court granted appellant's request for counsel and directed the filing of an amended petition regarding one of the claims raised in the proper person petition. Thus, appellant's notices of

appeal were premature. Because appellant failed to designate an appealable order, we

ORDER these appeals DISMISSED.
