ORDER DISMISSING APPEAL

This proper person appeal purports to challenge a district court order dismissing appellant's underlying action. But the documents before us do not indicate that an order dismissing or otherwise finally resolving appellant's case has been entered below. *See Lee v. GNLV Corp.*, 116 Nev. 424, 996 P.2d 416 (2000) (providing that a final judgment is one that disposes of all issues presented in the case, and leaves nothing for the future consideration of the district court, except for post-judgment issues such as attorney fees and costs). As no other appealable determination appears to have been entered below, *see* NRAP 3A(b) (listing orders and judgments from which an appeal may be taken), we conclude we lack jurisdiction to consider this appeal and we therefore

ORDER this appeal DISMISSED.
