ORDER DENYING PETITION

This is a proper person petition for a writ of habeas corpus. Petitioner contends that his indictment was improper, insufficient evidence of the offenses was presented at trial, the trial judge and prosecutor were biased, and he did not receive a speedy trial. Without deciding upon the merits of any claims raised in the documents submitted in this matter, we decline to exercise our original jurisdiction. Once a judgment of conviction is entered, appellant may challenge his conviction through a direct appeal from the judgment of conviction. See NRS 177.015. Accordingly, we

ORDER the petition DENIED.
