ORDER OF AFFIRMANCE

This is an appeal from a district court order dismissing a post-conviction petition for a writ of habeas corpus. Second Judicial District Court, Washoe County; Elliott A. Sattler, Judge.

Appellant asserts that the district court abused its discretion by granting the State's motion to dismiss his petition. Appellant does not support this assertion with any specific claim of error by the district court. Further, we note that, below, appellant filed a notice of non-opposition to the State's motion to dismiss. We conclude that appellant has failed to demonstrate that the district court abused its discretion by granting the State's motion to dismiss, and we

ORDER the judgment of the district court AFFIRMED.
