ORDER OF AFFIRMANCE

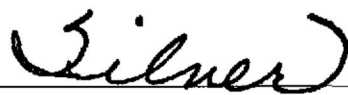

This is an appeal from an order revoking probation and amended judgment of conviction. Eighth Judicial District Court, Clark County; Carolyn Ellsworth, Judge.

Appellant Daniel Ballard claims that the district court abused its discretion by revoking his probation. He asserts that his probation was revoked because he was not financially able to get the mental health and drug counseling he needed. This claim lacks merit. Because Ballard stipulated to the revocation of his probation without modification of his sentence, we conclude that the district court did not abuse its discretion by revoking his probation. *See Lewis v. State*, 90 Nev. 436, 438, 529 P.2d 796, 797 (1974). Accordingly, we

ORDER the judgment of the district court AFFIRMED.
