ORDER DISMISSING APPEAL

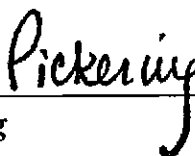

This appeal was docketed in this court on December 12, 2014, but the notice of appeal was not accompanied by a case appeal statement. See NRAP 3(f). On that date, this court issued a notice directing appellant to file the case appeal statement within 10 days. On December 16, 2014, this court issued a notice exempting this appeal from the settlement program. That order, among other things, instructed appellant to file the transcript request form within 15 days. See NRAP 9(a). When the case appeal statement and transcript request form were not filed, this court entered an order on January 15, 2015, directing appellant to file these documents by January 26, 2015. The January 15 order cautioned appellant that failure to comply could result in the imposition of sanctions, including dismissal of this appeal as abandoned. To date, appellant has failed to file these documents or to otherwise communicate with this court.

Accordingly, we determine that this appeal has been abandoned and we order this appeal dismissed.

It is so ORDERED.
