ORDER DISMISSING APPEAL

This is an appeal from a district court order denying appellant Christopher Williams' post-conviction petition for a writ of habeas corpus. Eighth Judicial District Court, Clark County; Stefany Miley, Judge.

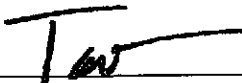

Our review of the documents submitted in this appeal reveal the district court's findings of fact, conclusions of law, and order does not address Williams' claims that appellate counsel was ineffective for failing to raise a Sixth Amendment Confrontation Clause claim on direct appeal and the district court abused its discretion by denying Williams' request for substitute counsel. Because the district court order does not resolve all of Williams' claims, it is not a final order and we lack jurisdiction to consider his appeal. See NRS 34.575(1); *Sandstrom v. Second Judicial Dist. Court*, 121 Nev. 657, 659, 119 P.3d 1250, 1252 (2005) (explaining

15-900768

that a final order disposes of all issues and leaves nothing for future consideration). Accordingly, we

ORDER this appeal DISMISSED.¹
