ORDER DISMISSING APPEAL

This is an appeal from “the Decision of the DISTRICT Court REVOKING . . . PAROLE.” Eighth Judicial District Court, Clark County; Kathleen E. Delaney, Judge.

Our initial review of this appeal revealed a jurisdictional defect. Specifically, no statute or court rule provides for an appeal from an order revoking probation, *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990) (where no statute or court rule provides for an appeal, no right to appeal exists), and review of the district court minute and docket entries do not indicate any evidence that the district court presided over a parole revocation proceeding or rendered a decision resolving a parole revocation matter. Accordingly, on February 17, 2015, we ordered appellant’s counsel to show cause why this appeal should not be dismissed for lack of jurisdiction.

To date, appellant’s counsel has not responded to the show-cause order. Nevertheless, having reviewed the documents filed with the

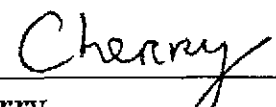

15-08124

notice of appeal, we conclude that we lack jurisdiction to consider this appeal, and we

ORDER this appeal DISMISSED.
