THE EIGHTH JUDICIAL DISTRICT

*ORDER DENYING PETITION FOR WRIT OF MANDAMUS*

This original petition for a writ of mandamus asks this court to compel the district court to transfer venue of the underlying district court action. Petitioner argues that the district court has failed to transfer venue to the First Judicial District Court after issuing an order finding that venue was proper in that court. Petitioner's appeal from the district court's order transferring venue to the First Judicial District Court is currently pending before this court in Docket No. 66711, however, and the district court therefore lacks jurisdiction to transfer venue of the underlying case until that appeal has been resolved. *Foster v. Dingwall*, 126 Nev. \_\_\_, \_\_\_, 228 P.3d 453, 454-55 (2010) (holding that a timely notice of appeal from an appealable order divests the district court of jurisdiction to act on that order). Accordingly, we

ORDER the petition DENIED.
