ORDER DISMISSING APPEAL

This is a pro se appeal from an amended district court order granting a motion to partially dismiss a petition for writ of habeas corpus. Seventh Judicial District Court, White Pine County; Gary Fairman, Judge. We lack jurisdiction to consider this appeal because the district court order entered on January 28, 2015, did not resolve all of the claims raised below and was not a final order. Only the final decision of the district court is appealable. Accordingly, we lack jurisdiction over this appeal, and we

ORDER this appeal DISMISSED.¹

¹We note that any intermediate decisions relating to the post-conviction petition for a writ of habeas corpus would be reviewable in an appeal from a final order denying the post-conviction petition for a writ of habeas corpus. See NRS 177.045.
