ORDER DISMISSING APPEAL

This is an appeal from a district court order adjudicating certain contempt, sanctions, and attorney fees issues. Eighth Judicial District Court, Clark County; Vincent Ochoa, Judge.

At the time the notice of appeal was filed, a motion for reconsideration was pending in the district court. Accordingly, on March 30, 2015, this court entered an order to show cause why the appeal should not be dismissed for lack of jurisdiction. See *AA Primo Builders v. Washoington*, 126 Nev. 578, 245 P.3d 1190 (2010). Appellant has responded to our order, concedes the appeal was prematurely filed, and moves to dismiss the appeal voluntarily. Cause appearing, the motion is granted. This appeal is dismissed. The parties shall bear their own costs and attorney fees. NRAP 42(b).

It is so ORDERED.¹

¹Appellant's request for release of the cost bond is denied without prejudice to appellant's right to move the district court for release of the bond. See NRAP 7 (indicating that a bond for costs on appeal is filed in the district court along with the notice of appeal).
