ORDER DISMISSING APPEAL

TRACIE K. LINDEMAN  
CLERK OF SUPREME COURT  
BY *[Signature]*  
DEPUTY CLERK

This is an appeal from a district court order denying a motion for a new trial. Eighth Judicial District Court, Clark County; Stefany Miley, Judge.

Our review of this appeal reveals a jurisdictional defect. Specifically, an order denying a motion for a new trial is only reviewable as an interlocutory decision on direct appeal from a judgment of conviction. See NRS 177.045; *State v. Lewis*, 124 Nev. 132, 136, 178 P.3d 146, 148 (2008) (although orders resolving post-conviction motions for a new trial are appealable pursuant to NRS 177.015(1)(b), "an order that is entered before a judgment of conviction . . . is intermediate and therefore not generally a final, appealable determination."). The documents submitted with this appeal indicate that appellant has not yet been sentenced. Accordingly, we conclude that we lack jurisdiction to consider this appeal, and we

ORDER this appeal DISMISSED.
