*ORDER DENYING PETITION*

This is a pro se petition for a writ of mandamus seeking a declaratory judgment that the district court violated petitioner's First Amendment rights by failing to resolve claims raised in his first pro se post-conviction petition for a writ of habeas corpus filed in 2002. Petitioner further seeks an order vacating his conviction and directing that he be released from custody. Without deciding upon the merits of any claims raised in the documents submitted in this matter, we decline to exercise our original jurisdiction. See NRS 34.160; NRS 34.170. Accordingly, we

ORDER the petition DENIED.
