ORDER DENYING PETITION FOR

WRIT OF MANDAMUS

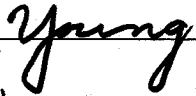

This is an original proper person petition for a writ of mandamus in a medical malpractice action. We have considered this petition, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. Accordingly, we deny the petition.¹

¹Petitioner's failure to pay the filing fee of \$200.00 constitutes an additional basis for denying this writ petition.

See NRAP 21(b); State ex rel. Dep't Transp. v. Thompson, 99 Nev. 358, 662 P.2d 1338 (1983).

It is so ORDERED.²

Clark County Clerk

²Although petitioner was not granted leave to file papers in proper person, see NRAP 46(b), we have considered the proper person documents received from petitioner, as well as the documents received from the real parties in interest, and we deny all relief requested by petitioner. We also deny as moot the real parties in interest's motion to strike petitioner's second supplement of points and authorities to this petition.
